Client since 1998

case study

SHEETZ REALIZES INVENTORY SUCCESS THROUGHOUT 25-YEAR PARTNERSHIP WITH QUANTUM

INVENTORY CHALLENGE:

During an incredible time of growth, Sheetz sought help to better assess its inventory counts. Managing its internal audit staff proved cumbersome and Sheetz needed external assistance as it migrated to scan audits.

Quantum Services

RESULTS

1.

Reduced shrink, improved count accuracy and streamlined ordering process

2.

Developed a tailored audit interface to eliminate external reporting

3.

Supported growth from 200 to 600+ locations with expansion into four states

4.

Saved 25-30% on audit costs annually by redistributing internal resources

5.

Developed new audit processes to include food service and lottery

“Over the years, THE PARTNERSHIP HAS EVOLVED AND BECOME STRONGER. Our growth has been aggressive and fast. QUANTUM HAS ALWAYS GONE ABOVE AND BEYOND TO MEET OUR NEEDS.”

- Dalann Buzzella, Inventory Accounting Manager
